Retail That Builds Community

Retail Happiness is:

A Volunteer team that clocks up over 160 yrs of combined Volunteer hours and goes on to win the Sophie Scamps Volunteer Recognition Award for 2024. Thank you Dee Why volunteer team for the wonderful years of service!

A Retail team that creates a retail shop pop-up within a school to offer students of all abilities the opportunity to practise retail skills in a supportive environment. Thank you to the supportive Principal & staff at The Forest High school for this opportunity.

When corporate visitors enjoy learning about what we do so much that they want to volunteer in our shops. Thank you to the staff at Blackmores for being so engaged with our mission.

A dusty industrial shell transformed into a place of creativity, training and laughter: our newest shop and retail support base - The Hub.

When we all feel proud because another customer has told us that they love our shops and are grateful for what Lifeline does to support our community. Thank you to the whole Retail Team – every little contribution from all of us adds to the impact we have.
